

**PF Chapters Complete.....**(Please see accompanying informational flyer and feel free to copy & share with any interested folks!)

# June 14-16 or August 2-4 2006

## Registration Guidelines

1. This form must be sent along with the **student's registration form** and a check to cover the cost. Checks are to be made out to "Iowa Women in Natural Resources" (IWINR).
2. The cost is **\$100.00 per participant, pre-paid**. Due to securing materials, lodging & meals for the camps, no refunds to the chapters can be made after **June 1, 2006**. (To insure that their registered campers attend, some chapters are choosing to have their sponsored participants pre-pay the chapter and then reimburse them after the camp).
3. **A participant CANNOT attend this program if they have attended previously** – We want to make this opportunity available to as many girls as possible and some girls are unable to attend because the camps fill up to capacity.
4. Participants must be between the ages of 12 and 15 during the program.
5. If your chapter would like to provide sponsorship for girls who are unable to gain local PF sponsorship on their own, please note below -- Thanks!
